

DOM Fellows Retreat 2018

Wednesday, Sept. 12
UA Cancer Center | Kiewit
5:30 – 7:30 p.m.

Beverages and refreshments available

By invitation only, the **Third Annual UA Department of Medicine Fellows Retreat** will be hosted in Kiewit Auditorium with fellowship members of the following programs expected to attend:

- **Advanced Heart Failure and Transplant Cardiology Fellowship**
- **Allergy & Immunology Fellowship Program**
- **Cardiovascular Disease Fellowship Program**
- **Clinical Cardiac Electrophysiology Fellowship**
- **Critical Care Medicine Fellowship Program**
- **Endocrinology, Diabetes and Metabolism Fellowship Program**
- **Gastroenterology Fellowship Program**
- **Geriatric Medicine Fellowship**
- **Hematology & Oncology Fellowship Training Program**
- **Hospice & Palliative Medicine Fellowship**
- **Infectious Diseases Fellowship Program**
- **Integrative Medicine Fellowship**
- **Interventional Cardiology Fellowship Program**
- **Micrographic Surgery and Dermatologic Oncology Fellowship**
- **Nephrology Fellowship Program**
- **Pulmonary & Critical Care Medicine Fellowship**
- **Rheumatology Fellowship Program**
- **Sleep Medicine Fellowship Program**

The evening's goal is for fellows to learn about research options (clinical, epidemiological and basic) within the Department of Medicine and our extensive support resources, including biostatistics and focused mentoring. The interactive retreat provides ample opportunity for questions and networking.
