

THE UNIVERSITY OF ARIZONA
COLLEGE OF MEDICINE TUCSON

Department
of Medicine

P.I. POSTER Session 2018

The second annual research poster night event recognizes work across the UA Department of Medicine by faculty physicians and researchers who serve as principal investigators on numerous projects financed by federal grants and additional funding to develop innovative therapies and other solutions to many of the world's most debilitating medical issues.

Light refreshments and beverages will be served.

Come see 40 posters representing clinical and basic science to translational research on advanced genomic and precision medicine studies.

Learn about areas where you can pursue collaboration and research training opportunities for fellows, residents and students.

Wednesday, Jan. 24, 2018

5:30 – 7:30 p.m.

**Kiewit Auditorium | UA Cancer Center
UA Health Sciences Campus**
