Cancer Center

THE UNIVERSITY OF ARIZONA
College of Engineering

UA Cancer Center / College of Engineering Exchange Seminar

Friday, March 30th, 2018

12:00-1:00 pm

Sabino Room

Student Union

Lunch will be served

Participating Panelists Include:

Jennifer Barton, PhD, Director BIO5 Institute; Professor, Biomedical Engineering,

Electrical & Computer Engineering, Optical Sciences, Agricultural-Biosystems Engineering

Andrew S. Kraft, MD, Director, UA Cancer Center; Professor, Medicine

Cindy Miranti, PhD, Professor, Cellular & Molecular Medicine

Janet Roveda, PhD, Professor, Electrical and Computer Engineering, Biomedical Engineering

Jerzy Rozenblit, PhD, Professor, Electrical and Computer Engineering, Surgery

Montaser Shaheen, MD, Associate Professor, Medicine

Jeong-Yeol Yoon, PhD, Professor, Biomedical Engineering, Agricultural-Biosystems Engineering,

BIO5 Institute, Animal and Comparative Biomedical Sciences, Chemistry & Biochemistry

Frederic Zenhausern, PhD, MBA, Director, Center for Applied NanoBioscience and Medicine;

Professor, Radiation Oncology, Biomedical Engineering

Please RSVP to Cindy Cowen at cowenc@email.arizona.edu
